After-Market Shifter Openings	2-19	Extended Steering Link Fabrication.....	2-33
Automatic Kickdown Linkage Installation.....	2-38	Fiberglass Care and Repair.....	5-1
Ballast Resistor.....	2-45	Follow These Do's and Don'ts.....	1-5
Battery Installation	2-59	Ford Automatic Shifter Openings.....	2-19
Before Starting.....	1-1	Ford Transmission Wiring.....	2-59
Behind the Dash Wiring.....	2-49	Forward Floor Liner Installation	2-18
Body Preparation.....	3-2	Forward Floor Liner Installation.....	2-23
Body Mount.....	3-2	Front Bumper.....	3-7
Brake Bleeding.....	2-30	Front Bumper Installation	3-6
Brake Light Switch.....	2-54	Front Turn Signal Installation	4-2
Brake Line Installation Hints.....	2-28	Front Disk Brake and Brake Line Installation.....	2-28
Brake Proportioning Valve Installation.....	2/26	Front Harness to Dash Connections.....	2-58
Bumper Bolt Covers.....	3-10	Front Suspension	2-2
Camaro/Firebird Steering Column.....	2-32	Front Sway Bar.....	3-1
Carpet Clean-up.....	4-21	Fuel Filler Cap.....	3-24
Carpet Installation.....	4-17	Fuel Filler Opening.....	3-2
Carrera Shock Assembly.....	2-8	Fuel Line Installation.....	2-16
Chevette Steering Column.....	2-30	Fuel Line Installation Hints.....	2-17
Clutch Cable Installation.....	2-25	Fuel Sender Installation.....	2-15
Cobra Fuel Line - Component Check List.....	2-17	Fuel Sender Wiring.....	4-3
Coil-over Shocks.....	2-8	Fuel Tank Installation.....	2-15
Components Check List.....	1-3	Fuel Tank & Fuel Line Installation	2-15
Convertible Top and Tonneau Cover Installation.....	4-23	Fuel Tank Vent Hose Installation.....	2-17
Convertible Top Installation.....	4-23	Fuse Panel Wiring.....	2-56
Dashboard Installation.....	2-47	Gas Tank Straps.....	2-63
Dashboard Reinstallation.....	3-20	Gelcoat Care.....	5-1
Dashboard Wiring Installation Hints.....	2-52	Gelcoat Touch-up & Surface Repairs.....	5-2
Dash Harness Installation.....	2-47	Hardware.....	5-5
Door and Trunk Seal Installation.....	4-35	Hardware and Fasteners.....	1-4
Door Hinge Installation.....	3-26	Hardware Identification	5-19
Door Installation.....	3/26	Headlight Installation.....	4-1
Door Jamb Flange Installation.....	4-7	Hinge Assembly.....	3-26
Door Preparation	3-24	Hood Hinge Installation	3-15
Door Striker Installation and Adjustment.....	3-26	Hood Latch.....	3-18
Door Panel Installation.....	4-16	Hood Latch Installation.....	3-17
Driveshaft Cover Installation	4-6	Hood Mount.....	3-16
Driveshaft Installation.....	2-61	Hood Release Cable Installation.....	3-18
Driveshaft Shortening.....	2-62	Hood Scoop.....	3-15
Driveshaft Tunnel Cover.....	4-6	Hood Support Bar	3-1
Electric Fan Installation.....	2-40	Horn Installation.....	4-2
Electric Fan Relay Installation.....	2-57	I.D. Plate.....	5-1
Emergency Brake Installation.....	2-11	Ignition Module.....	2-46
Engine and Transmission Installation.....	2-9	Ignition Start Relay.....	2-57
Engine Installation.....	2-9	Ignition Switch.....	2-52
Engine Mounting.....	2-11	Index.....	5-22
Engine Wiring.....	2-43	Installation of Lift-a-Dot Fasteners.....	4-28
Exhaust Installation.....	4-35	Instrument Installation.....	2-49
		Instrument Installation Hints.....	2-49

INDEX

Kick Panel Installation.....	4-7
License Bracket Installation.....	4-5
Light Installation - Section.....	4-1
License Light Installation.....	4-5
Liners to Body Fiberglassing.....	3-5
Lower Control Arm and Strut Installation.....	2-3
Master Cylinder Operation - Section.....	2-25
Mechanical Components Check List.....	1-2
Mirror Installation.....	4-9
Motor and Transmission Mount.....	2-10
Motor Mount Bracket Installation.....	2-9
Openings for Decorative Roll Bar.....	3-2
Optional Front Grille Installation.....	4-8
Optional Grille Guard Installation.....	3-7
Optional Nut and Bolt List.....	5-6
Parts, Tools and Specifications.....	1-1
Painting with Celcoat.....	5-3
Pedal Cluster Installation.....	2-23
Pretest Check 5-1	
Pretest Check List.....	5-1
Quad Shock Mount Installation.....	2-8
Rack and Pinion Installation.....	2-2
Radiator and Host Installation.....	2-38
Radiator Hose Installation.....	2-38
Radiator Hose Mount.....	2-38
Rear Bumper Installation.....	3-7
Rear Deck Lid Adjustment and Alignment.....	3-22
Rear Deck Lid Hinge Installation.....	3-20
Rear Deck Lid Stay.....	4-23
Rear Harness to Dash Connections.....	2-59
Rear Latch Release Cable.....	3-22
Rear Suspension.....	2-6
Rear Wiring.....	2-59
Rear Wiring Routing.....	4-3
Roll Bar Installation.....	4-9
Seat Belts.....	4-22
Seat Installation.....	4-22
Seat Location.....	4-15

Seat Upholstery.....	4-12
Shifter Modification.....	2-20
Shifter Openings.....	2-18
Side Vent Installation.....	4-8
Side Vent Openings.....	3-2
Side Window Assembly.....	4-23
Side Window Installation.....	4-27
Speedometer Cable Installation.....	3-20
Spring and Shock Installation.....	2-4
Spring and Shock Installation.....	2-7
Starter Solenoid Relay.....	2-45
Tail Light Wiring.....	4-3
Test Drive.....	5-1
Tonneau Installation.....	4-31
Transmission Mounting Support.....	2-11
Trim Installation.....	4-8
Tool Check List.....	1-4
Trunk Carpet Installation.....	4-20
Trunk Latch Installation.....	3-20
Turn Signal Switch.....	2-53
Unpacking.....	1-4
Upholstery and Carpeting.....	4-12
